NEW XS-650 COURT SHOE

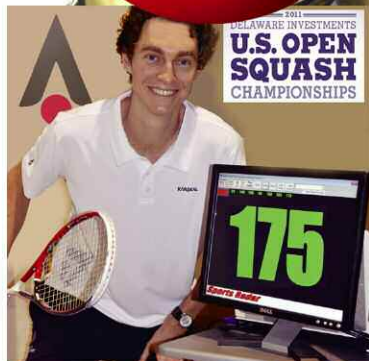

The new XS 650 has been developed with the multi directional athlete in mind. The unique mid sole has been designed to offer unprecedented levels of support to the mid tarsal region of the foot thus reducing the risk of injury whilst enhancing dynamic performance on court.

Cameron Pilley

TEC Frames are designed in conjunction with World Ranked and Commonwealth Games Gold Medal Winner.

During the U.S Open Cameron broke the World record for the fastest squash ball at an incredible 175mph using his TEC Gel 120 strung with our EVOLUTION 115 string

What is a Karakal?
Name: Karakal (meaning Black Cat in Persian)
Habitat: Steppes, deserts, and mountain slopes
Related Species: Cheetah, leopard, and puma
Scars: A red mark on the forehead and a black mark on the chest
Coloration: according to the local environment
Features: The Karakal is a solitary animal and a powerful hunter. It can kill a gazelle in a single leap.
